It gives me great pleasure to present the Lakshya quarterly newsletter; this is the first news letter that I'm presenting since taking over as the President of Lakshya

I'm happy to inform you that Lakshya continues to grow on the solid foundation built up by predecessors. Our New Management Committee is building and adding to the foundation by trying to add more value to the lives and careers of our Sportspersons who are the jewels of our crown.

In the period of 3 months from April to June 2022 many of our athletes were looking forward to participating in the Asian Games which were however postponed due to Covid in China

However in the same period Lakshya athletes bagged 29 medals at International and national events in nearly all the disciplines that we work in. I'm particularly very happy that our junior athletes whom we have pinned our hope for medals in 2028 , 2032 are moving up the ladder as per plans , and I'm hopeful they will all peak at the right time with our team working on them with a purpose,

Asmi Adkar , Pragati Gaikwad , Vaishnavi Adkar . Prapti Sen, Suhana Saini are few of the youngsters who are making waves not at the junior level but also in higher age groups and Open events and punching higher than their age groups.

Lakshya Athletes dominated the National table tennis Championships 2022 our star player and Olympian Sharath Kamal won the Men's National Title for the record 10th time while our young star Sreeja Akula won her maiden National title winning the Ladies National Title , these achievements truly make us proud and reaffirm the belief in our mission to create newer heroes and help youngsters achieve at highest level with a 360 degree approach. We also took the opportunity to honor our stars and felicitate them the hands of another Table tennis Star and legend and our own Mentor Kamlesh Mehta

We are also glad that we have been able to forge first if its kind alliance with JITO Games powered by Sperry Group to support talented Sportspersons from Jain Community , our tie up with JITO will help training, mentoring and round the clock support to its selected sportspersons from across India in 'Focused Sports' nominated under JITO Games Sponsorship Program.

My colleagues and our team is striving hard to ensure that we are able to many more players across the country by reaching out to corporate houses and we are seeing growing interest in Lakshya from the houses, this augurs well and hopefully we can make an impact to the future of many talented sports persons and take them to the next level.
